STORAGE INSTRUCTIONS

Always fold the pack top down after use, store in a cool, dry place.

FEEDING GUIDE

For the amount to feed your dog, consult the feeding chart below. This is a complimentary food, and should be mixed/fed with an equal quantity of good quality canned food or fresh meat..

ALWAYS ENSURE THAT PLENTY OF CLEAN, FRESH DRINKING WATER IS AVAILABLE AND TAKEN BY YOUR DOG.

When introducing your dog to a new food, introduce it slowly, mixing it with the existing food and gradually increase the proportion over a two week period until you are only feeding the new food.

FEEDING CHART

	WEIGHT OF DOG	DAILY FEED
Small Dog	3-5 kg	40-60 grams PLUS canned or fresh meat
Medium Dog	5-15 kg	60-140 grams PLUS canned or fresh meat
Large Dog	15-30 kg	140-300 grams PLUS canned or fresh meat

The feeding guidelines provided should be used as a starting point. The exact feeding amount for your dog will depend on many factors including age, breed, weight, sex, activity level, temperament, emotional state and general overall health. In general, your dog's needs and appearance should govern the amount fed. Feed to maintain a lean, active condition.
